If your staff or client's household income was $66,000 or less in 2017, they can get their taxes filed for free!

The United Way of Palm Beach County's Taxes Filed Free Campaign gives taxpayers with low-to-moderate incomes several in-person and online options to prepare and file their return for free. The campaign which entered its fifteenth year on January 16, 2018 is an invaluable service to the community. Visit www.TaxesFiledFree.org to learn more about the Taxes Filed Free Campaign, the services offered and where our sites are located throughout Palm Beach County. Site locations with days/times of operation can also be learned by calling 211.
