RISING LEADERS

Transforming emerging talent into the next generation of nonprofit leaders!

Personal Invitation to Apply

Many of you know me from the nonprofit community and from Nonprofits First's Accreditation program. If you do, you know I am all about growth and development. I recently took on the responsibility of managing our programs for emerging leaders.

Read the description below, and I invite you to apply if this program (or our new Advancing Leaders program) is right for you or one of your staff.

Regards,
Todd L'Herrou

Rising Leaders Program Description:
Our Rising Leaders program is focused on skills needed by those who are relatively new to leading teams or managing groups of individuals. Rising Leaders participants learn

effective strategies to handle significant leadership challenges, including self-knowledge, leadership, and motivational elements along with discussions with community leaders, small and large group exercises, and stimulating activities. The Rising Leaders program includes 8 full-day sessions, bookended by a beginning orientation and a concluding 2-day retreat. Participants also complete a service-learning project. Participants will leave the program with an understanding of how to apply the right leadership style when working with others, skills in effective communication, time management, conflict resolution, project management, and more.

To apply: Complete the attached PDF application and return it (with all attachments - see the checklist on page 3) to me by email (tlherrou@nonprofitsfirst.org) no later than 5pm on Friday, Nov 13, 2020.
