Sexual Assault  
Victims with Disabilities  
in the  
**HealthCare SETTING**

**August 30, 2019**  
**10:00 AM - Noon**

This training will give health care providers and support personnel techniques for assessing and treating sexual assault victims with disabilities. There will be a focus on developmental & intellectual disabilities.

We will share tips for reading verbal versus non-verbal communication. A parent will also discuss her son's healthcare journey and how providers had to make accommodations for his unique abilities..
