

ABOUT US

Naztec Staffing, DBA of Naztec International Group LLC, was founded in 2003 as an IT consulting and staffing firm and has since grown into a diversified organization with expertise in election equipment manufacturing, aerospace and defense manufacturing, information technology, AI and robotics and industrial staffing; now operating as a national workforce solutions provider with global reach.

Headquartered in West Palm Beach, Florida, we are a licensed, insured, and minority-owned business supporting clients across 42 U.S. states. Backed by 150+ years of combined leadership experience in engineering, IT, manufacturing and staffing solutions; we deliver high-performance workforce solutions, managed programs, and MSP/VMS services for local businesses, government agencies and multinational organizations.

Staffing solutions for manufacturing and distribution, built by a manufacturer.

WHO WE ARE

At Naztec Staffing, we provide our clients with the workforce they need to succeed, anywhere in the nation. We deliver reliable temporary, permanent, short-term and long-term staffing solutions across a wide range of industries, including manufacturing, warehousing, skilled trades and general labor. In addition, we offer customized managed workforce programs, as well as full VMS and MSP services to support high-volume and multi-site staffing needs.

What sets us apart is our personalized approach to employee care. We invest in our workforce through ongoing training, coaching and support to help each employee reach their goals and achieve long-term stability. By prioritizing people first, we ensure that our clients receive a motivated, dependable, and work-ready team of members who take pride in their performance.

Naztec Staffing is your trusted partner for comprehensive workforce solutions built to support your growth, strengthen your operations, and keep your business moving forward.
