## Hey! Why can't my child do that yet? (and should I worry?)

Children develop at their own pace. But it's natural to wonder whether your child is developing at a typical rate versus whether he or she may have a possible learning disability or developmental delay. Free screenings from local organizations can help. [Click here](#) to learn more. For more information, local tips and trusted advice, create a family profile today on [EveryParentPBC.org](#).
