Palm Beach County must prepare a Five Year Consolidated Plan in order to receive certain federal grant funding from the U.S. Department of Housing and Urban Development. The Consolidated Plan will identify community needs in the areas of housing, economic, and community development, and will establish priorities for the use of certain funding during the October 1, 2020 to September 30, 2025 period.

We are looking to our partners in the community to help guide the Consolidated Plan, and are offering an online survey as a way to get input on needs and priorities: <https://www.surveymonkey.com/r/BJR926P> Please feel free to share the survey link.

DHES will host several public meetings during development of the Consolidated Plan in order to provide information and to hear from community members. The first public meetings will be held as follow:

Eastern County Meeting

Date: November 18, 2019
Time: 10:00am
Location: Airport Center
100 Australian Avenue, Room 1-470

Western County Meeting

Date: November 21, 2019
Time: 10:30am
