Do you have some extra time to help those in need? Do you have a special place in your heart for promoting mental health and wellness throughout Palm Beach and the Treasure Coast? Are you committed to prevention of violence and suicide? Do you support giving vulnerable children, young adults, adults, and seniors the tools they need to live a full and satisfying life?

Catholic Charities of the Diocese of Palm Beach welcomes any interested community member to participate in our mental health advisory board. Meetings are scheduled once every quarter or more if needed. Board activities may include assisting with developing partnerships, providing clinical or financial advice, marketing/public relations, and fundraising events, such as our [5K Glow Run](#) held in October 2020.
