Education & Professional Development

Gain Insight on Your Emotional Intelligence

The Afterschool Practitioner - Part 1 & 2

CEUs: Upon successful completion of this training series and follow-up assignments, you will earn eight clock hours (0.8 CEUs) of training

Prime Time's next training series will offer ways to make a professional development plan that will help you reach your goals!

This two-part training series will walk you through identifying your professional strengths, job satisfaction and areas for growth.

Get ready to roll up your sleeves and gain some insight on your emotional intelligence (EQ) levels and how to work together with your team members.

PBC-PQA Basics Now Available Online

Beginning March 17, 2020
9:00 a.m. - 12:00 p.m.

PBC-PQA Basics Online will take approximately two to three hours in total to complete, depending on one's familiarity with the content and online training.

Explore the "quality construct" of the Palm Beach County Program Quality Assessment tool (PBC-PQA) and learn how to generate precise anecdotal evidence through keen observation and objective note-taking skills. Use this information for continuous quality improvement purposes.

Participants will be strongly encouraged and also given next steps to conduct the self-assessment process back at their program.
