## What is Operation Green Light?

On Saturday, Oct. 19, the Clerk's office is authorized to waive collection agency fees – some as high as 40 percent – for anyone who pays off their court obligations in full or signs up for a monthly payment plan. Florida law requires the Clerk's office to turn over unpaid tickets and other outstanding court fines and fees to an outside collection agency if the debt is not paid within 90 days of the due date.

The Clerk's office is opening all four of its courthouse locations during the one-day event, called "Operation Green Light." Those who pay their debts or go on a monthly payment plan will also be able to reinstate their suspended driver's license in most cases.

## Who Can Pay?

Collection agency surcharges will be waived for:

- Overdue traffic tickets issued in Palm Beach County.
- Overdue criminal court obligations in Palm Beach County.

## What types of payment are accepted?

Payments will be accepted by cash, check, money order and credit card. A 3.5 percent service fee will be applied to all credit card payments. Payment plans are available.

## What if my ticket or case is in another county?

Clerk's offices throughout Florida will be hosting Operation Green Light events from Oct. 12-19. For information on paying court obligations and traffic tickets issued outside of Palm Beach County, please contact the local Clerk's office in that jurisdiction.
