Strategic Planning: The Beginning

September 29, 2022, at 2 PM EDT

Did you know that your organization can double your chances for success simply by creating a current and relevant strategic plan to guide growth?

Unfortunately, more than 70% of nonprofits that have a written plan admit that the document is sitting on a shelf collecting dust, and we want to make sure yours is not one of them! This webinar is perfect for you if you're seeking to begin a planning process that engages your entire team and produces a realistic action-focused plan.

Major Donors:

6 Stewardship Strategies to Engage Them

by Jay Love

The first step to deepening relationships with your donor base is to improve your donor stewardship approach. Donor stewardship is the relationship-building process you use to get to know your donors and strengthen their commitment to your cause. It's especially important to build strong relationships with major donors. Nonprofit survey research shows that 88% of total dollars raised comes from just 12% of donors—these are your major donors. Since these donors contribute the bulk of your funding, you must regularly engage with them and show your appreciation.
