

**Time Sensitive: Hunger Relief. Food Needs. Coronavirus/Pandemic. DUE 12:00 Noon, Tuesday, March 31, 2020.**

Below is the link to our *internal*, master document. Please do not share this unless you check in with us first. It is intended to be internal only and to be kept in real time.

The document is a list of pantries, arranged by cities and EOAs (Emergency Operating Areas), for ease of use in times of emergency (pandemics, hurricanes, etc.). The **yellow highlighted pantries are closed as of today**. We are keeping them on the master list so we have a complete record of the status of our community.

Please check the list and click on the *Open With Google Sheets* link at the top of the document. Please check and be sure the contact information is correct for your organization. **If your organization needs to be added, for example, the two food banks, Meals on Wheels of Palm Beach County, etc., please add a row under the correct municipality for your organization and complete the information.**

**It is extremely important for you to complete columns K, L, M, and N by Tuesday, March 31, 2020 at 12:00 p.m. (noon) so we can communicate the needs to Feeding South Florida and Feeding Florida and keep food flowing into our community in a disciplined manner. A meeting invite will also be sent for your calendars as a reminder.**
