

Neighbors,

There are families and individuals, nationwide, who are facing uncertainty due to the ongoing government shutdown, and the availability of funding for the Supplemental Nutrition Assistance Program (SNAP).

In Palm Beach County, the local United Way has provided a link to help families in need of food assistance find nearby resources.

The Food Finder Map will assist you and your loved ones in getting the help you need, to ensure your families find local sources to stand in the gap during this time.

To access the Food Finder Map, you can scan the QR code below, or follow this link:
