Palm Beach County Library System Partners with School District to Serve Free Summer Lunches & Snacks for Kids

The Palm Beach County Library System is serving free nutritious lunches and snacks to children during the summer, in partnership with the School District of Palm Beach County.

The service, offered to all children through age 18, will be available Tue, Jun 04 through Fri, Jul 26, excluding holidays and weekends at all branch locations.

According to the USDA, "The Summer Food Service Program ensures that low income children continue to receive nutritious meals when school is not in session."

The Library System is proud to ensure that all Palm Beach County children are well-fed and well-read throughout the summer.
