Prime Time Palm Beach County Afterschool Symposium 2019

Spark the Mind that Changes the World

EXHIBITOR OPPORTUNITY

[Exhibitor
Registration](#)

Prime Time Palm Beach County is hosting its Afterschool Symposium 2019 that will provide practitioners who work in local afterschool and summer programs well-deserved recognition, professional development and exposure to new resources.

We invite you to be part of this year's symposium themed "**Spark the Mind that Changes the World,**" on May 16, 2019, from 9:30 a.m. to 11:00 a.m. We are particularly interested in showcasing products and services that promote social and emotional skill-building such as teamwork, persistence, goal-setting, self-control and getting along with others, which could be linked to success in school, career and life. We anticipate the symposium attracting more than 200 OST professionals

As an exhibitor, your organization will be listed in the Prime Time Palm Beach County Afterschool Symposium 2019 program. In addition, you will:

Generate on-site sales and new sales leads

Establish or enhance your market presence

Meet with a variety of OST professionals all under one roof

Demonstrate your products and services

from across the South Florida region who serve a myriad of organizations – public, private, faith-based, urban, suburban, rural, large and small.

If your organization provides resources and services for school-age youth that are interactive, innovative and interesting, enhance youth development and create fun experiences, then register today to become an exhibitor.

Boost your organization's image and increase visibility

The Children's Services Council of Palm Beach County provides significant funding for Prime Time's overall operations. The Palm Beach County Youth Services Department provides support for Prime Time's Middle School Out-of-School Time Initiative.
