

Dear Friends,

As the situation with Coronavirus (COVID-19) unfolds, the health and safety of our community is our top priority. Following precautionary guidance from the Centers for Disease Control and Prevention (CDC) and Governor DeSantis' office, Nonprofits First is cancelling all in-person events through the end of March. Informational meetings will be conducted via conference call or webinar. Please see the list below for more information.

We will continue to monitor the situation and will resume in-person trainings and member events when appropriate. We will provide periodic updates via email. Our [Facebook](#) page will also be updated with the latest announcements.

While this was not an easy decision to make, it is the decision that prioritizes you, our staff, and our community. We appreciate your continued support and understanding.

Sincerely,

Jessica Cecere
CEO
