

Dear Neighbor,

At midnight on September 30, the government shut down after Republicans supported a funding bill that would let vital Affordable Care Act assistance expire—leaving millions of Americans facing skyrocketing health care costs.

I know many of you have questions about how the shutdown—and the looming health care crisis—could affect you and your family. **That's why I'm hosting another Virtual Town Hall on Wednesday, October 8th at 6 PM, and invite you to join me and a special guest.**

You'll have the chance to hear directly from me and my guest about efforts to reopen the government and protect affordable health care. We'll take your questions and comments in advance as well as live through the chat.

To register in advance, submit a question, and receive an email reminder before we begin, [click here](#).

You can tune in to the event Tuesday night on my [YouTube](#) or [Facebook](#) pages. I look forward to the conversation and to hearing your thoughts.

Warm regards,

Lois Frankel
Member of Congress

Rep. Frankel | 2305 Rayburn, House Office Building,
Washington, DC 20515
