**Lois Monroe
Branch Director
Farmworker Coordinating Council of PBC, Inc.**

The Farmworker Coordinating Council of Palm Beach County, Inc. (FWCC) is a non-profit corporation that was started by the State of Florida in 1978. FWCC was created for the purpose of assisting farm workers to access social and human services, who for a variety of reasons are unable to participate in other eligible programs or services.

Please join Lois Monroe, Branch Director as she informs us on how resourceful FWCC is in providing food, clothing, and emergency assistance to senior citizens and community residents in the Lake Region.

The Office of Community Revitalization would like to thank the leadership and staff of the City of South Bay for providing the use of the City Hall facilities and refreshments.

Please arrive promptly at 9:30 a.m. Thank You!

We look forward to seeing you and your neighbors!
