# Count-e-News

*Bringing you news that counts*

**July 20, 2023**

Greetings!

**This Edition: Inside PBC News:** Out of an abundance of caution because of the high temperature, the annual Countdown 2 Zero event will be held indoors at the South Florida Fairgrounds. We are more than halfway through July and in a matter of weeks, PBC's kids will return to the classroom. Part of making a plan for hurricane season should include how to stay in touch with loved ones before, during and after a disaster. National Geographic came to PBC in March to film an update for one of its Shark Week shows, which begins in a few days. *For all of this and more, visit [PBCGOV.com](http://PBCGOV.com).*
