Home Repair Plans from Service Line Warranties of America

The City of South Bay and Service Line Warranties of America (SLWA) have partnered to help protect customers from the unexpected expense and inconvenience of emergency repairs to the systems in their homes. Many times, homeowners are unaware of their responsibility for the repairs to these systems in and around their home. That's why we offer *optional* and [affordable programs](#) that can help provide peace of mind.

Exterior Water Service Line Coverage

A leaking or broken exterior water service line can be expensive to replace. Many homeowners aren't aware that they own their water service line and will have to pay for any repairs. The [exterior water service line](#) - from your property boundary or external wall of your well casing to the water service meter or main shut-off valve inside your home - is your responsibility.

Exterior Sewer/Septic Line Coverage

Exterior Sewer/Septic Line Coverage protects you from the expense of a covered repair or replacement of your [exterior sewer line](#) from the external wall of your home up to your property boundary, or exterior septic line that takes wastewater away from the external wall of your home up to the point of connection to the septic tank on your property, up to the benefit amount.

Interior Plumbing & Drainage System Coverage

Plumbing and drainage emergencies can be messy and inconvenient. Common breakdowns range from blocked shower, sink or toilet drains to broken interior water pipes. [Interior Plumbing and Drainage System Coverage](#) protects you, up to the benefit amount, from the covered cost to repair or replace your interior plumbing and drainage lines.
