The [National Immigrant Integration Conference](#) is just 8 weeks away. The challenges facing immigrant and refugee communities seem ceaseless and the need for a space to be inspired, strategize and deepen collaborations is more important than ever.

[Scholarship applications](#) to attend NIIC 2019 are now open through September 13. Each year, to help ensure that the conference is accessible to the broadest possible audience, NIIC provides scholarships to grassroots and community leaders from across the U.S. Priority is given to those who are under represented at NIIC, have never attended in the past, are active in the fields of the immigrant advocacy or services and who would not otherwise be able to attend. The scholarships cover the NIIC registration fees, not travel expenses or lodging.

Help us spread the word about this opportunity. Our communities are facing great challenges and visionary, resilient leadership is essential: NIIC is a key space to strengthen, support and grow exactly that.

Stay tuned for more info about NIIC's vibrant and timely Program and Schedule after Labor Day. Thank you for everything you do to support our communities and work toward a democracy that welcomes and uplifts all.

We hope to see you at NIIC this October,

Steve Choi, Executive Director, NYIC; Co-Chair NPNA; NIIC Lead Host
