XX Factor: eXcelling and eXpanding our impact and influence

Teri Williams

President, Chief Operating Officer
& Owner of OneUnited Bank

Banking in the Black
(General Session)

Teri Williams is President, Chief Operating Officer & Owner serves on the Board of Directors of OneUnited Bank, the largest Black owned bank in the country. She is responsible for implementation of the Bank's strategic initiatives, as well as the day to day operations of the bank, including all retail branches, marketing, compliance, lending, information technology, customer support, legal, and human resources. Ms. Williams brings 30 years of financial services expertise from premier institutions such as Bank of America and American Express, where she was one of the youngest Vice Presidents. Ms. Williams holds an M.B.A. with honors from Harvard University and a B.A. with distinctions in Economics from Brown University. She currently serves on the Boards of the Black Economic Council of Massachusetts (BECMA) where she serves as Treasurer and the 79th Street Corridor Initiative in Miami, Florida. Ms. Williams is author of *I Got Bank! What My Granddad Taught Me About Money* (Beckham Publishing) a financial literacy book for urban youth. Ms. Williams has received numerous notations and awards for her contribution to urban communities including from the Urban League, NAACP and the National Black MBA Association.

Margaret Spence

President, Chief Operating Officer
Author, SHRM Professional Leader

Margaret Spence works with organizational leaders to question barriers to executive leadership for women by removing unconscious biases and challenge limiting assumptions. She helps women leaders find the power to lead with authenticity. She ignites audiences to move beyond the narrative they've embraced to question their assumptions and to create a new vision for their lives and careers. She is the author of *Leadership Self-Transformation: 52 Career-Defining Questions Every High-Achieving Woman Must Answer*. She is the founder of The Employee to CEO Project and The Ten-X Leadership Academy for Women. She is also the CEO of C. Douglas & Associates, Inc., a leading risk and human resources consulting company based in West Palm Beach, Florida. In addition to running her own corporation, Margaret has been involved in the Society for Human Resources Managements (SHRM) Special Expertise Panel serving a six-year term on both the Health Safety and Security Panel and the Employee Disciplines Panel. She was an item writer for the SPHR/PHR exam and serves as a continuing education provider for HRCI recertification credits. Margaret was also a contributor to the SHRM Workplace Forecast, highlighting trends that keep Chief HR Officers (CHRO) up at night. She is frequently called on by the SHRM Press Team to discuss trends in HR with leading publications. Her keynotes are focused on not only inspiring audiences, but also sharing actionable strategies to drive bottom-line results and meaningful outcomes. Margaret is often quoted in leading publications like The Washington Post, Time, The Business Journal, NPR, and Crain's.
