For CEOs, By CEOs

Nonprofit Chamber Announces 7th Annual Community Spirit Awards

Recognizing Bertram "Bud" Tamarkin for 50+ Years of Volunteer Service

Friday, September 27, 2019 Embassy Suites Hotel, West Palm Beach.

Bud Tamarkin has the means to do just about anything he wants, and what he wants is to be a full-time volunteer. And a volunteer extraordinaire he has been, both in his native Youngstown, Ohio, and, for more than 30 years in Palm Beach County. His work within the disabilities and education systems has helped change the course of both. The list of his accomplishments is endless and few who have been in social services for the past three decades don't know of his work and dedication. And age hasn't slowed him down. At 93, he continues to work closely with the Town of Palm Beach United Way and school district and is changing the course of those systems for the betterment of those most in need in our county.

Bud will be honored by the community he has served at the Nonprofit Chamber's 7th Annual Community Spirit Awards Luncheon. The award is given annually to an individual in Palm Beach County who has contributed to the overall well-being of nonprofits and their clients. A special award will also be presented to Allegany Franciscan Ministries for its continued support of the Nonprofit Chamber's advocacy/capacity building initiative.

Date: Friday, September 27, 2019

Thank You For Believing In Us!

For 10 years, Allegany Franciscan Ministries has made it possible for nonprofits in our community to make our collective voice heard by our lawmakers through the Legislative Advocacy Project.

While other funders have contributed, Allegany has supported this effort every year and continues to do so. We plan to show our gratitude by recognizing Allegany at this year's luncheon. Representing Allegany will be Upendo Shabazz, regional vice president for Palm Beach, Martin and St. Lucie counties.

The Chamber was created to give the top leadership of health and human services nonprofits a place to meet with peers and receive high-level information to raise the bar for themselves, staff and clients.

Our mission is to provide a forum to learn from trusted colleagues and an opportunity to provide advocacy for those we serve. We currently have 85 CEOs and executive directors among our membership.

All of our monthly meetings are open to CEOs and Executive Directors or the highest ranking person in the organization in Palm Beach County if the organization has headquarters elsewhere.

If you're not a member and are the CEO/executive director of a health and human services nonprofit serving Palm Beach County, join today. If you are a member, encourage your peers to join us.

Just complete the membership form.
