Thank You for Joining Us!

A heartfelt thank-you to everyone who joined us on October 8th for the presentation of the TIPSTR Annual Report, prepared by the

University of South Florida's Trafficking in Persons (TIP) Risk to
Resilience Research Lab.

Together, we explored the latest statewide data illuminating how human trafficking continues to impact Florida's communities and the powerful insights that guide prevention, intervention, and resilience efforts statewide. Your participation helps turn research into action.

If you missed this event, don't worry —the recording will soon be available on our website at www.htcpb.org/resource-center-welcome.

Stay tuned and continue learning with us as we work together to create safer communities for all.

What an honor to take part in this morning's panel with the **Junior League of Boca Raton**. Our sincere thanks to the **Florida Alliance to End Human Trafficking** for the invitation.

We're grateful for opportunities like this to come together with passionate community partners, share insights, and strengthen our

collective impact in the fight against human trafficking.
Collaboration and awareness truly move our mission
forward. Together, we create freedom.

Thank you to the **Executive Women of the Palm Beaches Foundation** for hosting a powerful and engaging evening focused on creating impact in the fight against human trafficking. We're grateful for the opportunity to share our work and connect with leaders who care deeply about protecting our community.

If you'd like to learn more about the **Human Trafficking Coalition of the Palm Beaches**, we invite you to join our next Coalition meeting—together, we can make a difference.

As a community-supported nonprofit, we depend on donations to continue our life-changing work educating youth, empowering survivors, and building a safer community for all.
