The Florida Women's Business Center

Presents

Global Connect

A Program for Businesses Owned, Managed, and Run by Women
to Collaborate across the U.S. and Around the World...

Today's economic environment demands global interaction between small businesses. Communicating, partnering, and developing effective relationships is essential to growth and managing sustainable profits. We are ready to facilitate this conversation.

Is Your business ready to embrace the opportunity?

Workshop Overview...

- This is a monthly meeting held in Delray Beach with live webinar connection
- Participants will be visible to each other - 30 second introductions will occur
- Only 20 seats are open for participation - registration required
- Participants must:
 - Must have a registered business and actively selling products or services
 - Must have business cards
 - Must have a website
 - Must have a capability statement
 - Must have a 30 second elevator speech

Benefits to business owner

- Introductions to business owners beyond South Florida
- Learn about economics in other countries
- Learn about other business models
- Share challenges and receive feedback from like minded business owners
- Initiate cost/price analysis on products and services outside of Florida

3rd Workshop - December 11th (Wed.)

(11am - 1pm) Delray Beach - Lunch will be served

John Diep - Enterprise Florida - Group Counseling on Exporting
