Launched in January 2014, the Mentoring Support Opportunity was conceived as a way to help mentoring programs develop additional matches and help alleviate the wait list of mentees in Palm Beach County. These funds will go toward helping programs make additional mentoring matches. Through the Mentoring Support Opportunity, United Way of Palm Beach County seeks to enhance the quality of mentoring programs and increase the number of youths being mentored. For the current mini-grant opportunity, only affiliate programs that have a current active mentoring program and are seeking to implement all Elements of Effective Practice are eligible to apply. The typical grant is between \$2,000 up to a maximum of \$5,000 (based on available funds) to be used to increase program capacity and become eligible to join the Mentor Center Network.

***Please note* The application is due back no later than August 28, 2019 by 5:00pm. Please contact me with any additional questions you may have.**
