available before and after
regular program hours for a fee.

Before & After School

...

Ages 5 to 12 years
Open regular school year
Except some holidays
Regular Hours:
Monday – Friday
2pm – 6pm

Class projects and emergent themes are developed through collaboration of the children in a rich environment, which provides exploration, curiosity, and creativity, literacy, language development, mathematics, science, gross and fine motor skills into the curriculum. Our program encourages exploration, creativity and self-expression through developmentally appropriate activities. Child-guided learning experiences support healthy spiritual, intellectual and physical development. GECC staff members portray positive role models while providing care, which is supportive, nurturing, warm and responsive to each child's needs. GECC character values of caring, honesty, respect and responsibility are incorporated into our daily curriculum.

The GECC staff provides a safe and positive environment for school age youth to engage in developmentally appropriate activities to stimulate their growth intellectually, physically, and socially. The GECC provides resources for the participants and their entire families. We provide extended hours for school days out and early release.
