

Important Update from The Mandel Public Library of West Palm Beach

*The safety of our patrons and employees is a top priority at the Mandel Public Library of West Palm Beach. Out of an abundance of caution, the library is postponing all programs, workshops and meetings booked at the library starting March 14 through March 31. The library will remain open for use during its regular scheduled hours. The library has stepped up cleaning efforts in common areas, and hand sanitizer is being made available for public usage, subject to availability. If you are interested in using our library services virtually, there's an app for that! The Mandel Public Library has a wide variety of digital offerings for library cardholders, including e-books and audiobooks, streaming TV and movies, music downloads, databases and more. Visit our website at [wpbcitylibrary.org](http://wpbcitylibrary.org) for more information on how to [Connect 24/7](#) to the library.*
