

Today! Join Your Colleagues to Celebrate One Year Out From Census Day 2020

Census Day 2020 is one year away and to celebrate, the U.S. Census Bureau is hosting a [press briefing](#) in Washington, D.C., today at 11 a.m. EDT.

The press briefing will be an opportunity to update the public and the media on the status of operations of the 2020 Census and provide details about the success of the integrated partnership and communications campaign.

We're also rolling out our 2020 Census Ambassador program to help YOU be an advocate for the 2020 Census with your families, schools, and communities.

Send us your questions, and we'll use your questions as topics for upcoming Counterparts stories and programs.

Be a 2020 Census Ambassador!
