

Countywide Community Revitalization Team Meeting

TUESDAY OCTOBER 14 | 10AM

The Office of Community Revitalization (OCR) cordially invites you to attend the **Countywide Community Revitalization Team (CCRT) meeting on Tuesday, October 14, at 10 a.m.** The meeting will be held in person at the Vista Center, Hearing Room 1E-60, 2300 N. Jog Rd, West Palm Beach. For added convenience, the meeting will also be accessible virtually and via conference call.

This month's meeting will feature a presentation by **Christie Lee Geltz, Manager of Volunteer Services, HCA Florida JFK Hospital**. Ms. Geltz will offer an inside look at the hospital's services and shine a spotlight on the essential contributions volunteers make in advancing its mission. She'll also explore the diverse volunteer opportunities available and walk attendees through the steps to get involved—whether you're eager to give back to the community or seeking a purposeful way to stay active and engaged.

Dr. Raj Kumar, MD, representing **United Doctors of America: The Voice of the Patient and Provider**, will be joining us to share powerful insights titled **"Do Patient Lives Matter? Healthcare Reform, Transparency, and Hybridization."** His presentation will spotlight the urgent need for systemic change and the human stories behind the headlines. Founded to close the healthcare gap for underserved families, United Doctors of America is driven by a mission to provide compassionate, preventive, and accessible care that empowers communities to thrive. Their vision is bold yet essential: a healthier, more resilient population where no family is left behind—regardless of financial, geographic, or systemic barriers. Volunteers are the heartbeat of their outreach, extending impact through grassroots engagement and personalized care. Together, they're building a future where equity in healthcare isn't just an ideal—it's a reality.

The CCRT meeting provides a unique opportunity for residents to engage directly with county departments, community partners, and local leaders dedicated to enhancing the quality of life in Palm Beach County. All are encouraged to attend and participate in this informative session. Your voice matters and is essential to building a stronger, more connected community.

We look forward to seeing you there!
