South University
9901 Belvedere Road
Building A
Royal Palm Beach, FL 33411

[Driving Directions](#)

Dear Community Partner,

You are invited to join us for the 9th Annual Community Health Worker/ Promotores Southeast Florida Regional Symposium to celebrate and work towards a stronger partnership through community and partnership building.

This symposium will continue to provide opportunities for Community Health Workers/Promotores (CHW's) and health and human services professionals to receive valuable information as well as network with many representatives from other community organizations, program funders, and health industry professionals.

The CHW Symposium aims to accomplish the following objectives:

- Meet, network and foster future collaborations with community members, service providers and stakeholders in a fun and engaging way.
- Bring awareness to the work of CHW's in Palm Beach County and the Treasure Coast.
- Support and promote the statewide CHW certification initiative.
- Support the local implementation of CHW training programs and networking activities of the Florida CHW Coalition, Inc.

There will be afternoon training concurrent sessions in English and Spanish, some available for FL CHW certification/renewal credits and others for continuing education units (CEU's).

Breakfast and lunch will be provided.

Please RSVP as soon as possible, as space is limited!
