WEST PALM BEACH, FL 33407-2000

TELEPHONE: 561-844-9443

March 25, 2019

Dear: Sir or Madam

Florida Community Health Centers, Inc. is excited to announce our first ever Backyard BBQ for the families of Pahokee. The BBQ will be taking place on Saturday, June 22 from 10:00am until 3:00pm at the Pahokee Commissioner Park.

A fun and free community event is being planned. There will be delicious food, games, face painting, arts and crafts as well as vendors from area social agencies.

Would you please consider helping us by being a sponsor of this event? In appreciation for your sponsorship, you will receive recognition online, in press releases, on social media, and in all materials relating to the program as a sponsor. Press releases will be distributed regularly to the Glades community and in the Glades Initiative e-blast newsletter reaching 1,600 people on a weekly basis.

Florida Community Health Centers, Inc. works closely with local health and human service organizations to ensure that our pediatric patients and their families have access to all the resources they need to lead healthy, happy lives. Our community partners encompass many branches of the community (non-profit organizations, local healthcare, school district, disaster relief and government agencies) including Bridges of Pahokee, Lakeside Medical Center, the Palm Beach County School District, the American Red Cross, the Palm Beach County Sheriff's Office, and many others.

I have had the personal privilege of living and working in this community for 40 years and know first-hand about its caring hearts and generous spirits. With that knowledge, I thank you in advance for helping making this special day possible.

With sincere gratitude,

La'Sophia King, LPN
Center Manager
